Test daylight RMSE
Test daylight CRPS
A: per province vs shared, MC-Dropout
A: per province vs shared, normal dropout
A: per province vs shared, plain LSTM
B: normal vs MC-Dropout, shared
B: normal vs MC-Dropout, per province
C: plain LSTM vs method, shared
C: plain LSTM vs method, per province
D: daylight-only loss vs method
E: no province code vs method
E: per province vs shared without code
